Catching up

The winter is almost over and spring will soon arrive in Scandinavia. It has been a productive and busy time since November. I'll try to be brief and do a little catching up. In November, I had the opportunity to travel with Dave Richards and Håkan Gniste from Sweden to Umoja Deliverance church in Nairobi Kenya. These were days of Great fellowship and meeting new friends. Umoja church has a congregation of over 9000 friendly folks is one of the most economically depressed

areas of Nairobi. Pastored by J.B. Masinde who is on Salt and light's apostolic team with Dave Richards, this church is a light in bringing a transformational message to the people of the city. It is a unique work that is giving hope and practical help to the spiritually and desperate needy of Nairobi. The rest of December was a wonderful time with family in Älmhult. Jenny and Paul flew over for their yearly Christmas Pilgrimage to southern Sweden. This is always my favorite time of the year. January 5-10 I traveled to Kirksville, Missouri to be with a family of churches and longtime friends. These churches in the midwestern USA is where I submit my gospel and these brothers have known me for many years, they can tell you about my hippie years! Doug Kreighbaum, Tom Bedford, Tony Fajkus,

Jerry Curry, Don White, Pat Forbes are leaders in these churches. Back in Sweden, same me at Mölnlycke Kristna center (Dan Ronnefors), Göteborg Kyrka (Christian Wedesten), Vallentuna Bibel Center (lasse Nylen), and Uddevalla Fristaden (Janne Saaf). Jan 15-16 Dave Richards, Håkan Gniste and I hosted a meeting for churches in Uddevalla where over 20 leaders attended. Dave taught on Apostolic Prophetic foundations which was really appreciated. January 16-20 in Ekenäs Finland with a group of pastor from The Free Mission Covenant churches, where I had the privilege of teaching of foundations and Apostolic Prophetic ministries and applications. The end of February I was back in Copenhagen Denmark to speak at Copenhagen Bible Center (Jens Granfeldt) and visit citychurch in Taastrup (Per Eivind Stig). It has been busy, but is has been fun and a privilege!

Finland: Free Swedish Mission Covenant Churches

This nation of four million people is waking up and moving forward in the things of God! I have travelled to Denmark many times over the last eight years, but today the spiritual climate in the country is heating up. Some of this credit goes to speakers imported outside of the country like Charles Ndifon, who have created a stir with healing gifts and miracles. Some of his meetings in Copenhagen had 2,000 to 4,000 in attendance. That is a unique event here. The New Age movement has also fed a supernatural hunger for many, with the result that we now see that same hunger leading these people to Christ. The Danes are much different than their Scandinavian Swedish cousins. They are a very relaxed people with a unique sense of humor. Danish architecture is some of the finest in the world, with most houses built of brick or rock. I had the privilege of being in a Pentecost weekend conference in Thisted. Thisted is located almost as far north as you can go in Denmark in a very charming setting by the sea. Farmland is everywhere in Denmark, and these farms are well maintained. Kim and Jill Torp are the pastors and are building a relational church with likeminded people. It was a real joy to be with them and Elisabeth Syre from South Africa.

Café Church – Copenhagen

Café Church—Copenhagen

We end this month with a visit to Café church. Actually, we met outside of Copenhagen for a special weekend of teaching and equipping. Café Church is a non-traditional church with an outreach to the youth and young at heart in the city. Currently with 130 in attendance, the church has grown steadily over the last four years. The idea was to have a café where people could bring friends in a relaxed atmosphere and present the gospel to them. These Café nights are really special with some of the finest worship music and worship musicians in Denmark. The Presence of God during these times is capturing people for God. Betina Wiik and Frank Rechter, theologically trained pastors, lead the way for this congregation. Both are very busy, fulfilled and expanding the vision of this growing church in the heart of Copenhagen.
